NSL to launch its first Independent Supportive Living Residence in Niagara Falls, Ontario *March 1, 2013*

Vishal (Charlie) Chityal, Director

After countless requests from community members, residents and Industry Professionals, Niagara Supportive Living is pleased to announce that we have finally secured a location in the City of Niagara Falls!

This new location, (we will be releasing all of the details shortly!) is a newly renovated building and will house 17 Residents.

Just minutes from the Greater Niagara General Hospital and the tourist district, the home will feature large private rooms, beautiful vaulted ceilings, and multiple sitting rooms and common areas.

As with all of our homes, it will be a full service home with all of the amenities and services that Niagara Supportive Living has to offer.

Stay tuned for more news and a launch date for this, our newest Independent Supportive Living facility!
